Anuradha Bansal

Hiring Machine Learning Scientists @ Amazon
Bengaluru

Summary

Recruiters are brand ambassadors of the company and I have concentrated / contributed in bringing the right talent in to the company. Sourcing & getting the right candidate on-board has been my passion and I have concentrated on different ways of lead generation ,establishing good relationships with candidates (active and passive) and building a big network .

Wish to become a Thorough Career Advisor / An exceptional Recruiting Professional who can be trusted upon by her network anytime!

Experience

Amazon

Recruiter

February 2017 - Present (3 years 7 months)

Bangalore

As a part of the Machine learning hiring COE responsible for:

*Managing hiring for key business groups like India Machine Learning headed by Dr Rajeev Rastogi and other product teams in Bangalore and Hyderabad for Applied Scientist and Research Scientist roles.

* Laying out a hiring strategy and plan to create a Talent landscape for ML hiring

* Building a niche talent pool of scientists with PhD / MS from top US and Indian universities across geographies.

* Carried out various programs like "Lead Generation" ,"ER program" , "Sourcing & Mapping talent program", "Candidate experience" etc. to establish a recruiting connect with ML folks in the industry.

* Working on key Branding initiatives for India Machine Learning team

* Revolutionizing the ML hiring by implementing solution able strategies to the existing model.

Founded 1993

Employees 3000+

Flipkart.com

Talent Acquisition

March 2010 - April 2012 (2 years 2 months)

Bangalore

Flipkart has been the most different experience in my professional timespan. Being in a start up I had the golden opportunity of setting up the organisation in terms of creating a brand , awareness in the market , hiring top talent , setting new benchmarks , setting up processes internally , Vendor Management , Employee Relations and Campus recruitments etc.

NDS services Pay TV Technology

Technical Recruiter

September 2009 - March 2010 (7 months)

I have handled hiring for various Business groups . Worked on niche requirements and senior level positions .

Intuit

Technical recruiter - Talent Acquisition

September 2008 - August 2009 (1 year)

I am working as Technical recruiter involved in end to end recruitment at Intuit. Currently I am working on mid and senior level positions and I am involved in total account ownership right from sourcing of resumes to closure.

Aditi Technologies

Technical Recruiter

June 2007 - September 2008 (1 year 4 months)

I worked as a Technical recruiter for Aditi Technologies ((MSVP Preferred vendor). Here I was in to to US recruitments handling positions for Microsoft (US)and other clients too.

ALP MANAGEMENT CONSULTANTS

Sr. Analyst/Recruiter

December 2004 - June 2007 (2 years 7 months)

I worked at Alp Consultants as a recruiter/consultant and handled various top notch clients and start up companies.(specifically the IT industry)

I was involved in the entire end to end recruitment life cycle and gained good experience and exposure in client relationship management as well.
