Summary

My self Rohit deshmukh and I am pursuing my engineering
from Institute of engineering and technology DAVV indore in
electronic and Instrumentation. But interested in mobile applications
development..

I am a react native developer and done many projects in this field...

Always trying to be better than yesterday..

Experience

The Analog
4 months

MERN DEVELOPER
March 2020 - April 2020 (2 months)
Indore, Madhya Pradesh

Working on some new projects

React native developer
January 2020 - March 2020 (3 months)
Indore, Madhya Pradesh

I worked on two apps developed on MERN.. One was social media and
another one was video Scrolling app like tik tok..
We access many feature like map, camera, video recording, login, sign up,
and many more things..

Technology we used are mongodb for database, nodejs, express js, graphql,
etc
